Dear Clay,

I would like to take this opportunity to thank you for your time and effort you put into attending and supporting our program by providing development opportunities for athletes and coaches here at Bendigo Basketball Association.

The 5 sessions you conducted between Friday the 21 July 2018 and Tuesday 25 July 2018 were informative and engaging for all coaches and athletes who attended.

Your knowledge and the way you delivered the sessions was second to none and all athletes and coaches remained engaged throughout. You left a lasting impression as they continue to talk and discuss the sessions you conducted after your departure.

It was a fantastic opportunity for Bendigo Basketball Association to be exposed to an elite level coach like yourself, who was professional, open, and honest with your experiences as an NBA coach but also the manner in which you challenged our coaches to think about the game.

On behalf of the Bendigo Basketball Association, we thank you for your time and commitment you made to us here in Bendigo and we wish you well for the future.

Regards

Ben McCauley
