

Minnesota State

Community and Technical College

August 29th, 2022

To Whom It May Concern,

I am writing this letter on behalf of Clay Moser who was the 2019 Fergus Area College Foundation Bigwood Lecturer hosted by Minnesota State Community and Technical College.

Like his coaching career, Clay Moser's lecture was tremendous. He informed and entertained our audience with countless basketball stories from his early years in Minnesota, all the way to the NBA and the coaching staff of the Los Angeles Lakers. His delivery blended the memorable stories with incredible insight on basketball, coaching, and the perseverance to follow a dream. Clay's combination of knowledge and wit regarding coaching and his experience is equally entertaining as it is informative. While it's a thrill for basketball fans to hear Clay speak about the game, people of all ages and interests will be inspired to hear his story of hard work and determination that gave him the opportunity to coach at the highest levels. It truly was a night to remember.

Clay Moser did an incredible job speaking for the Fergus Area College Foundation. I would recommend him without reservation for any speaking engagement.

Sincerely,

Jason Retzlaff
